A circular collage of various photographs depicting student activities. The central image is a sunset over water, with the sun low on the horizon and its reflection shimmering on the calm surface. Surrounding this central image are several smaller, overlapping photographs. In the upper left, a group of students is gathered around a table, some sitting and some standing, in what appears to be a cafeteria or common area. To the right, a student is seen from the back, looking out over a large crowd of people. Below the central image, a student is lying down, looking up, with a large, striped object (possibly a pillow or blanket) next to them. In the lower left, a student is sitting on the ground, looking towards the camera. Other photos show students in various social settings, including a student playing a drum, a student in a red shirt, and a student in a white shirt. The overall theme is a collection of memories from a school year.

Opening/1

Life's A Beach

With the opening of school, comes many new and exciting things. There are the tired eyes of students having to wake-up early. The bare legs of students wearing shorts during an excruciating heat wave. As the day wears on, students and teachers alike begin to feel the dread of eating first lunch, or should we say *first breakfast*. After lunch students begin to slow down as they anticipate their final two classes of the day. However, those studious persons who signed-up for a seventh period class still have three periods left to attend. When the other students leave school at 1:45 those persons have to stay until 2:50 for their seventh period class. Even as the sun sets on the first day of school, students have already become part of the groove of everyday school life.

Clint Edwards, Susan Dixon, Sarah Wible, Laura Kirk, Mark St. Ours and Chuck Forrester show their favorite colleges.

Seniors have always been "in the groove", but this year there are a couple of new grooves that have made 1985 a year to remember.

First, school starts at 7:30. Who can groove when your still asleep? Then there's first lunch, (BREAK-FAST), at 10:10. It is groovy getting out at 1:45; unless your taking a seventh period to make sure you have all the graduation requirements.

Of course there are the well worn grooves that all seniors have gotten into: English, Government, and S.A.T.

HOMECOMING: WHAT A THRILL

Homecoming Dance: One of the major events of the school year. The time to celebrate the triumphant win of this high school's favorite team. A time for friends to get together and have fun. It is also a time for enemies to put aside their differences, if just for a short while.

The solid line is Gloria's track from the early morning hours of September 26 through final landfall in Connecticut at 1:00pm on the 27th. The dashed line is the Official National Hurricane Center forecast issued at 6:00 pm on the 26th. The minor error — a mere 60 miles — was enough to save Tidewater from major destruction.

For some classes, you take all the help you can get.

Parents support AFS along with club members.

AFS supports and encourages world peace, through periodic exchanges with different states and designated countries. The officers of this club devise activities and exchanges to promote peace throughout the U.S. We have several fundraisers including doughnut, candycane and card sales. During the summer we hold car washes at local Pizza Huts. This year WHS AFS will exchange to New York city.

LEADERSHIP CITIZENSHIP

After school practice makes perfect routines.

The WHS NJROTC is organized to help students become better citizens and leaders. It provides them with the opportunity to develop leadership skills which are very important in a democratic society. The cadets prove their leadership abilities in the unit, at the various drill meets, and in the community. This year the NJROTC has the finest officer corps and cadet body ever. These people will be America's future leaders.

SPORTS

The sports program at Warwick High School continues to grow each year. Additions this year include a junior varsity girls' basketball team and a girls' softball team. Also, the varsity and junior varsity cheerleaders are recognized as sports for the first time at Warwick.

Starting school at an earlier hour this year has proven to be a beneficial addition to the sports program and the athletes. Students no longer need to miss class in order to participate in a game and have more time after daily practices to homework.

One further addition is the Henry Jordan Merit Award. This is awarded to an outstanding graduating senior who has shown academic excellence, as well as participated in a varsity sport for two years. James Choung, class of 1985, was the first recipient of this award.

The football tri-captains are **Ray Savage**, **David Darden**, and **Adam Birt**.

After a sterling opening victory over Dinwiddie (26-0), the **Varsity Football** team ran into hard times losing 3 straight games to Lafayette, Menchville, and the eventual state champion, Hampton. The Raiders then showed their true metal as they put together six straight victories, including three shutouts and twenty two quarters without a touchdown being scored upon the defense. The 7-3 record was the fourth best in Warwick's history and earned Warwick a tie for third place in the Peninsula District.

The defense was led by All-State linebacker, Ray Savage, along with first team All-District performer Derek Steele (DE), second team All-District end David Carmichael and defensive back Terry Shepard. Seniors Thomas Pittman (DE), Burnell Pulley (CLB), Adam Birt (CLB), Eric Robinson (DB), and Curtis Fleming (T) made significant contributions to a defense that allowed only 2.8 yards per snap. Juniors Joe Prince (T), Kevin Byrd (LB), Larry Stith (CLB, DB) and Calvin Massey (S), along with sophomore Derrick Christopher (T) rounded the primary contributors for the defense. The Raiders defense allowed only 7.4 points per game.

The offense was led by All-District Quarterback David Darden as he became the first thousand yard passer for the Raiders in recent years. David was 70 for 149 passing and 1082 yards and 9 touchdowns. Along with Darden were second team All-District performers David Carmichael (TB, 15 rec, 196 yds), Ray Savage (Off T,G,C), Vincent Lassiter (OG), and Adam Birt (RB, 96 carries 783 yds). Rounding out the offense, which averaged 261 yards per game and 18.7 points were seniors Thomas Pittman (T), Burnell Pulley (SE, 20 rec, 322 yds), and Chris McDaniel. Juniors included Joe Prince (C), Jason Beasley (T), Larry Orie (FL, 11 catches, 159 yds), Calvin Massey (RB, 91 carries, 591 yds), Kevin Byrd (RB), Larry Stith (TE), and Terry Shepard (RB, QB). One final offensive player was sophomore Derrick Christopher (G).

Calvin Massey was also honored by being named second team All-District Kick Returner and Punt Returner.

REBUILDING THE WARWICK DYNASTY

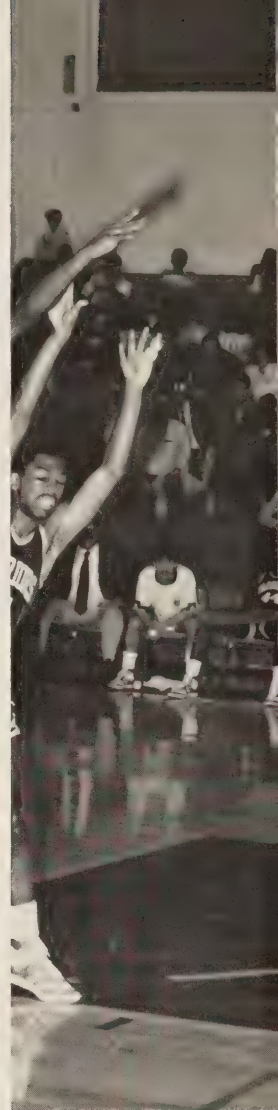

Lorenza Jones takes a jumper shot.

After many, many years of dominating the Peninsula District, the **Varsity Basketball** team fell on hard times, losing eleven games by less than 5 points per game. The early season loss of Lamont Swittenberg with a broken wrist proved to be devastating to the Raiders. "Cook" came back at mid-January but never was able to regain his pre-season strength. The Raiders played well throughout most of their games, only to make critical mistakes at crucial times. Defense has always been the strong suit of Warwick's past teams but somehow eluded them this year. Sporadic play and inconsistency plagued the Raiders; however, there were some bright spots by individuals in many games. Each player had some outstanding games and everyone gave their all during practice and each game. Some tremendous come-backs and exciting plays were witnessed by many and no one ever counted out the Raiders. A missed free throw, a made field goal could have easily turned the season around. Wait till next year!

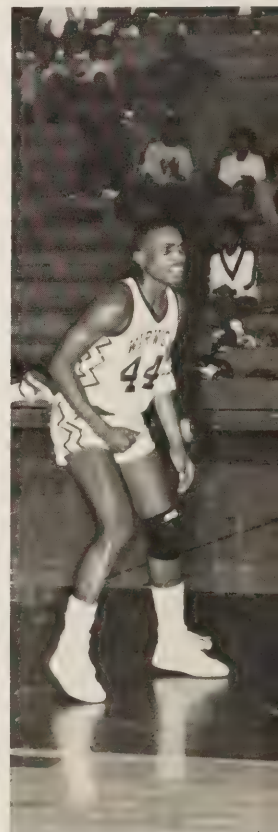

Tim Jones works offensively to score for the Raiders as **Jimmy Stocks** prepares to rebound.

The **Indoor Track** team, led by Head Coach John Quillen, worked hard this year to place highly in the district. The team ran in various invitational meets during the season. These included the Trojan Relays and University of North Carolina High School Track Meet, as well as meets at Lynchburg College and Virginia Tech.

Outstanding participants were numerous this season. Gregory Hatchett placed during many meets in the high jump, long jump, triple jump, and 60 yard high hurdles. Charles Charity also placed in the high jump repeatedly, and was voted the meet M.V.P. in field events at the University of North Carolina Meet. Rodney Edwards did well in the pole vault, and Kim McEachern set a new school record in the 300 yard dash.

The **Boys' Cross Country** team had to overcome many obstacles this year, one being the loss of graduated seniors. Another problem was the fact that the team was composed of young and inexperienced runners. Even though the team was not as experienced as some, the boys turned in some fine times and pushed themselves beyond human ability at the Norfolk Catholic Invitational and William and Mary Invitational. The team was led this season by Junior Joe Nocon and received strong performances from Grant Sharp, Pedro Fernandez, Ned West, Chris Crank, Reid Hanks, Joe Whittaker, and Matt McKercher.

Coach Holly Crockett discusses strategy with his team before a meet.

The **Girls' Cross Country** team did not perform as well this season as they did last year. Of the top three returnees, only one completed the season. Members of this year's team included Monica Wells, Rhonda Holley, Kim Hogge, Michelle Asadi, Treebie Boyd, and Angela Moore. Belinda Wells was manager. Coach Dirl Riddle coached the girls for his fourth year. The team's record was 1-1, with numerous incompletes. Various mishaps contributed to the performance of this year's team. Monica Wells and Michelle were the only two to represent Warwick in the District Meet. Monica Wells, finishing sixth at the District Meet, was the only member to run at the Regional Meet, where she placed 21st.

Senior **Monica Wells** heads for the final stretch as she strives to beat her opponent.

ESCAPE . . .

The **Varsity Wrestling** team was in a rebuilding stage during the 1985-86 season. The graduation of last year's seniors left the team with only three returning varsity wrestlers. However, the season proved to be beneficial to the returnees.

Warwick had three wrestlers who placed fourth in District and advanced to Regionals. These were Rod Melvin, Matt Brown, and Ed Fuller. Unfortunately, Matt Brown was unable to attend because of a shoulder problem.

Under the new Head Coach Paul McVicker and Assistant Coach Eric Hogan, a team of nine members showed that they were determined enough to learn the sport and give it their all every day. These wrestlers have proven that there are better things to come in the future.

During another long practice, **Alexander Lucas** and **Ed Fuller** work on takedowns.

In order to practice takedowns, **Greg Bullis** and **Terry Barnes** use each other as opponents.

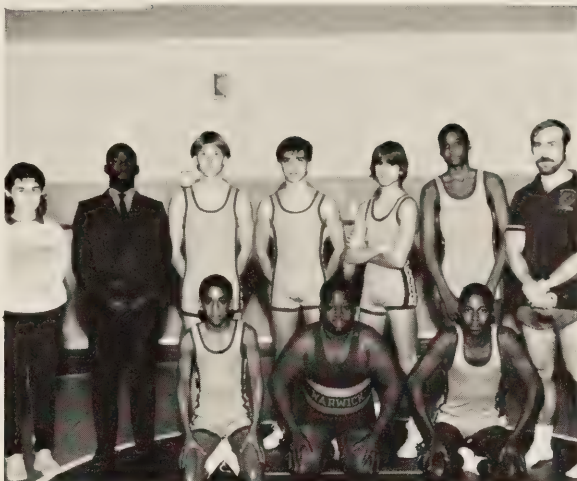

As **Coach McVicker** looks on, **Rod Melvin** takes a shot on **Ed Fuller** during practice.

SWING HIGH . . .

Showing off that winning style is **Scott Bohn**.

Although the **Golf** team members work just as hard as other teams, they are perhaps one of the least recognized teams at Warwick High School. The team meets after school at a golf course for practice and has regular games scheduled throughout the season.

With concentration, **Fred Minnigerode** prepares to swing.
